Students and recent graduates with fewer opportunities receive a top-up amount to the individual support of their EU Erasmus+ grant with an amount of 250 EUR per month.

„Green Travel”

Students and recent graduates not receiving travel support who travel by sustainable means of transport are entitled to 50 EUR as a top-up amount to individual support for green travel.

A long-term mobility participant granted a top-up amount of 50 EUR may apply for additional funding for a maximum of 4 travel days (additional individual support days).

Short-term mobility of students and recent graduates

Students and recent graduates on short-term physical mobility receive the base amounts of individual support of an amount of 79 EUR per day.

Students and recent graduates with fewer opportunities on short-term physical mobility receive a top-up amount to the individual support of their EU Erasmus+ grant of an amount of 100 EUR for a physical mobility activity period of 5-14 days.

Travel support is available to students and recent graduates who meet the definition of "persons with fewer opportunities" only for short-term mobility and for long-term mobility to third countries not associated to the Programme, except for countries from regions 13 and 14. The amount of the support is calculated according to the distance calculator, according to which:
